The Crawfords Ridge HOA (the "Community") website may provide information and resources related to contractor services for the convenience of its members. However, the Community does not endorse or guarantee the quality, reliability, or performance of any contractors listed or referred to on this website.

Members and residents are encouraged to exercise due diligence when engaging the services of any contractors. It is essential to research, evaluate, and select contractors independently based on individual needs and preferences.

The Community is not responsible for any disputes, damages, or unsatisfactory outcomes resulting from the use of contractor services recommended or mentioned on this website. Members and residents are solely responsible for any contracts, agreements, or transactions entered into with contractors.
